WARRANTY CERTIFICATE
CARRARA VANITY TOP WITH ATTACHED SINK

1. VANITY TOP – WORKMANSHIP WARRANTY

MD'S warrants the Carrara natural stone vanity top against defects in fabrication and workmanship, subject to the approved specification, shop drawing and applicable manufacturing tolerances. **Covered:** fabricated dimensions, sink cutout/fabrication workmanship, stone thickness within applicable tolerance, and fabrication/finishing workmanship at delivery. **Tolerance:** length/width and thickness may vary by **±1 mm manufacturing tolerance**; variations within this tolerance are not defects.

2. NATURAL STONE – CHARACTERISTICS & APPEARANCE

Carrara is a natural stone and every piece is unique. Differences in color, shade, veining, movement, texture, mineral deposits, pinholes, natural fissures, small pits and other naturally occurring characteristics are inherent to natural stone and are not defects. Samples or photographs cannot guarantee an identical appearance.

3. BREAKAGE, DAMAGE & INSTALLATION DISCLAIMER

MD'S is not responsible for breakage, cracking, chipping, staining, scratching or other physical damage occurring after delivery, during transportation by others, unloading, handling, storage, installation, plumbing work, modification, alteration or normal use. Damage may result from impact, improper handling, inadequate support, uneven cabinets, structural movement, settling, excessive pressure, dropping/heavy objects, improper installation or other circumstances outside the manufacturer's control. Such damage is not covered. Any damage found after delivery should be documented and reported before installation.

4. NATURAL STONE MAINTENANCE

Clean regularly with a **pHneutral, stonesafe cleaner** and soft cloth/sponge. Wipe water, soap, toothpaste, cosmetics and other liquids promptly. Do not use vinegar, lemon/acidic products, abrasive powders, harsh chemicals, bleachbased cleaners or abrasive scrubbers unless specifically approved for the stone. **Annual professional inspection and recommended maintenance/sealing is advised.** Changes caused by normal use, staining, chemicals, hardwater deposits, improper cleaning or lack of maintenance are not covered.

5. ATTACHED SINK – FOUR (4) YEAR WARRANTY

The attached sink is covered by a **FOUR (4) YEAR WARRANTY** against manufacturing defects in material and workmanship under normal use, beginning from the date of purchase/delivery. Exclusions include misuse, abuse, impact, accidental damage, improper installation, modification, unsuitable chemicals, scratches, stains, discoloration, normal wear and tear, plumbing/drainage issues, and installationrelated damage.

CERTIFICATION

IAPMO R&T

The cUPC® mark should be used only where the supplied sink/model has valid applicable IAPMO R&T certification.

6. GENERAL WARRANTY CONDITIONS

Warranty claims must be supported by original purchase/order details. The product must be properly installed, used for its intended purpose, and maintained according to applicable care instructions. MD'S may inspect the product before approving a claim. Repair, replacement or other remedy, where applicable, will be determined after verification. This warranty does not cover consequential, incidental or indirect damage to the extent permitted by applicable law.
