**BLEACH-FREE
CONCENTRATE**

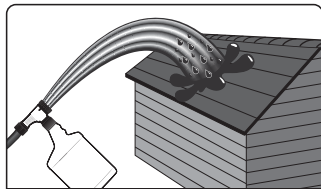

For Exterior Use Only

1 GALLON (3.78L)

SprayOnce® JOMAX Spray Once® is the simple way to remove tough stains from mold, mildew, moss and algae on exterior surfaces. Simply attach to a garden style hose, spray as instructed, apply and walk away; no scrubbing or rinsing required! The bleach-free & non-acidic formula works with the wind, rain and moisture over time to remove unwanted stains.

COVERAGE: When diluted as instructed, one bottle will clean up to 1,000 sq. ft.
SURFACES: Safe for porous and non-porous surfaces including siding, roofs, fences, decks, patios, driveways, walkways, brick, patio furniture & more.
IMPORTANT: Read the entire label prior to application. Shake bottle vigorously before each use. Only apply to dry surfaces. Keep people & pets off treated surfaces until product has dried. Avoid runoff into waterways. Do not mix with any other chemicals. Test on an inconspicuous area before applying to ensure color-safe results. Wear eye protection and rubber gloves during use. May stain clothes and shoes.
RESULTS: In most cases, light stains will disappear within days but results will vary based on the severity of the stains and weather conditions. Severe stains could take several months before surface improvement is visible. A second application may be needed. However, clean-up the following season will be easier. Surfaces that have minimal exposure to the wind, rain and moisture may need light agitation or an additional application.
PREPARATION: First, check the weather forecast to ensure there is no rainfall expected for at least 5 hours. For best results, apply on a cool day with minimal wind. Do not apply when temperature is below 45° F.

- DIRECTIONS FOR USE:**
1. Spray any surrounding plants with water before you begin.
 2. Attach garden hose to back of spray nozzle with valve in "OFF" position.
 3. Turn on water.
 4. With valve in "CLEAN" position, apply cleaner to surface liberally and evenly. For best results, work in small sections.
 5. Move to new area and repeat.
 6. To stop spraying, turn nozzle to OFF position.
 7. Turn off water.
 8. Turn valve to "RINSE" position to release water pressure before detaching spray nozzle from the garden hose.
 9. Walk away; no scrubbing or rinsing required!*

TIP FOR ROOF APPLICATION: Do not spray directly at roofing shingles. Aim above allowing the cleaning solution to rain down onto shingles.

*Note - Stains may take 1-3 weeks to disappear and will continue to disappear with subsequent rainfall. Some roof stains may take 2-3 months to completely disappear.

JOMAX

SprayOnce®

THE NO SCRUB, NO RINSE, EXTERIOR STAIN

REMOVES MOLD, MILDEW, STAINS FROM MOSS & ALGAE

For Use On Fences, Siding, Patios, Roofs & More

BLEACH-FREE
 For Exterior Use Only
56 FL. OZ. (1.66 L)

SprayOnce® JOMAX Spray Once® is the simple way to remove tough stains from mold, mildew, moss and algae on exterior surfaces. Simply attach to a garden style hose, spray as instructed, apply and walk away; no scrubbing or rinsing required! The bleach-free & non-acidic formula works with the wind, rain and moisture over time to remove unwanted stains.

FIRST AID: If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical attention immediately. In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes and get medical attention. Remove contaminated clothing and wash it before reuse. If swallowed, do not induce vomiting. Get medical attention immediately.
DANGER! Contains quaternary ammonium salts and ethoxylated alcohols. Causes eyes and skin burns. Do not get in eyes, on skin or clothing. Wear protective eyewear and gloves during use. Avoid breathing vapors or spray mist. Use only with adequate ventilation. Close container after each use. Wash hands thoroughly with soap and water after handling. In case of emergency, call your physician, local poison control center or local emergency room. For product health information call 847-367-7700.
STORAGE: Store in original container in area inaccessible to children and pets. Store in cool, dry area. Non-refillable container. Do not reuse or refill. In case of spillage, absorb with inert material and dispose of in accordance with applicable regulations.
LIMITED WARRANTY: This product will perform as claimed when used according to the label directions. Directions are as complete as possible but cannot encompass all conditions, applications, and / or surfaces. The contents are warranted to be free of defects for two years from the date of manufacturer. All warranties and guarantees are limited to replacement or refunded value of product actually used when supported by proof of purchase. The guarantee is not transferable.
PRIMEROS AUXILIOS: Si tiene dificultades respirando, salga del área para obtener aire fresco. Si la dificultad continúa, obtenga atención médica inmediatamente. En caso de contacto, inmediatamente enjuague los ojos o la piel con abundante agua por lo menos 15 minutos y solicite atención médica. Quite la ropa contaminada y lávela antes de reusar. En caso de ingestión, no induzca el vómito. Obtenga atención médica inmediatamente.
¡PELIGRO! Contiene sales de amonio cuaternario y alcoholes etoxilados. Provoca quemaduras en la piel y los ojos. Evite el contacto con los ojos, la piel o la ropa. Use lentes protectores y guantes durante el uso. Evite la inhalación de vapores o niebla de pulverización. Use sólo con ventilación adecuada. Cierra el contenedor después de cada uso. Lávese bien las manos con agua y jabón después del uso. En caso de emergencia, llame a su médico, al centro de intoxicación local o al centro de urgencias local. Para obtener información médica sobre el producto, llame al 847-367-7700.
ALMACENAMIENTO: Conserve el producto en el envase original en un área inaccesible para los niños y mascotas. Conserve en un área fresca y seca. Envase no recargable. No vuelva a usar ni recargar. En caso de derrame, absorba con un material inerte y deseche de acuerdo con las regulaciones aplicables.
