## THE SHINGLE HOG

Remove shingles 70% to 90% faster than by hand.

Makes roofer more cost competitive  
(shingle removal is faster and cheaper).

Helps complete more roofs in the same amount of time.

Can use a smaller crew yet complete the same number of roofs.

Will reduce worker's compensation insurance premiums.

Amazing on those difficult, time-consuming, back-breaking, multi-layer roofs.

Reduces the pain of manually removing shingles.

Fast payback - typically within 3 - 4 roofs.

**TEARS OFF  
17-20 SQUARES  
PER HOUR  
WITH LESS PAIN**
