

EXPERIENCE THE POWER OF 4600

4600™ HYBRID STRUCTURAL ADHESIVE SEALANT

Choose the multi-purpose workhorse Geocel® 4600 and you'll have most of your bonding and sealing needs covered. It's a powerful, waterproof, structural adhesive/sealant designed for a wide range of construction materials.

Geocel 4600 bonds to most building surfaces including metal flashing, copings, skylights and HVAC surfaces. It also provides a tough waterproof elastic seal to most roofing materials, masonry, wood, glass, aluminum and foam.

- High-viscosity sealant that won't slump, stays flexible
- Exceeds rigorous ASTM C-920 Class 35 field testing
- Can be applied wet or dry in challenging weather conditions down to 0 °F.

24 cartridges (28 lbs.) per case, Case dimensions: 12.5"L x 8.25"W x 12.25"H
