

NUBIO Intersecting random wave pattern, provides an attractive appearance and moderate privacy.

ICE Random texture built over the Nubio Pattern. More privacy but without a fixed geometric design.

DIAMOND This repeated diamond pattern features a raised half sphere in each for a stylish look that also allows for privacy.

CLARITY This see-through block provides a dramatic grid effect, undistorted vision and maximum light transmission.

Comparison		
	Single Pane Window 1/8" Flat Sheet	SEVES Glass Block Window
Energy Efficiency	Minimal insulating value.	Comparable to a double pane window. Eliminate drafts.
Window Treatments	Needed to control privacy, adding extra costs.	No need. Privacy controlled by pattern selection.
Maintenance	Dependent upon framing selection.	No Maintenance.
Replacement	Breakage requires replacement of whole window.	Simple block replacement.
Water Penetration	Could be problem with below-grade installation.	Water resistant. Acts as solid concrete block wall.
Cost	Windows made with SEVES Glass Block are often less expensive. See your local distributor.	Very comparable or less expensive.
