

WATERPROOF WINTER PLUS

#1 IN DURABILITY

The **Waterproof Winter Plus** is the first to market 100% waterproof performance work glove. This glove is designed to keep your hands warm, dry and protected. This glove features triple-layer waterproof technology made with an inner liner of warm microfleece, a 100% waterproof/windproof membrane middle layer and a durable form-fit outer shell, plus 40g Thinsulate inside the top of hand.

Durable, dexterous, comfortable and warm.
